The above permission is granted subject to the following conditions :-

- 1) The College must secure minimum enrollment of 30 students in each faculty in which it has been permitted to impart instruction for the first year of the Degree Course.
- 2) Not less than 22 students should appear for the University Examination to be held at the end of the academic year 1981-82.

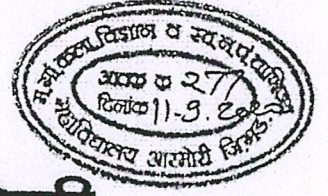

The minimum enrolment of 20 students stipulated in the above condition is in relaxation of the normal condition of minimum enrolment of 40 students, considering the fact that the above colleges are to be started in the Adivasi areas of the State. The colleges will not be held eligible for grant-in-aid unless the above minimum conditions are fulfilled.

In view of the short time left for starting of the academic year, it is suggested that the Vice-Chancellor of your University may kindly consider, pending appointment of Local Inquiry Committees, permitting, in exercise of the emergency powers, the Colleges under reference to be opened from the beginning of the forthcoming academic year presuming that the State Government would have no objection to issue orders of final approval under section 43 (d & e) after the reports of the various statutory bodies of the University viz. Academic Council, Executive Council and the Senate are received by the Government. While commencing such permission to the management, the management may please be informed negatively that enrolment of students for admission to a faculty permitted to be opened should start only on a provisional basis and if atleast 30 students enrol for admission then, and then only, the admissions may be confirmed and the college actually started with such a faculty (faculties). If a minimum number of 30 students do not enrol for admission that faculty should not be opened at all. Further, the College should be informed that in the event of starting any faculty with the enrolment of less than 30 students and less than 22 students appearing at the University Examination to be held in April, 1982, the management will not be considered eligible for grant-in-aid from the Government during the year 1982-83 also (under the Rules no Grant-in-aid is paid to a new college during the first year of its establishment) and that it would be required to close down the concerned faculty or faculties.
