**Objective of the Activity:**

The Objective of the HIV/AIDS Awareness Programme is to empower and increase the awareness to participants of HIV/AIDS, its impact, management and availability of support systems. This is to encourage early testing and lifestyle changes that will thereby reduce and prevent further infection. To foster early detection of HIV infection among persons at ongoing risk for HIV or among persons with a recent HIV exposure; to enhance earlier referral to prevention, care, treatment and support for persons newly identified as being HIV positive.

**Brief Description:**

Awareness workshop on Prevention of HIV/AIDS was organized by Red Ribbon Club (RRC) Unit and NSS unit of M. G. College, Armori held on 01.12.2019 at the M. G. College conference Hall. The welcome speech was given by Dr. R. N. Chavhan, UBA & NSS Programme Officer, Thereafter, Guest Shri Ashique Wasnik delivered a lecture among the students and made them aware on HIV/AIDS issues and also shared the concept of RRC, its objectives and strengthening of RRC unit through a power-point presentation & Life Skill promotion and also has shown some jingles and photographs. After the lecture students took part in an interaction & cleared their misconception eg. 'mosquito bite cannot spread HIV', 'close kiss cannot spread HIV', 'sharing cloths cannot spread HIV' etc. The queries were answered by the speaker. The concluding speech was given by Dr. Gajendra kadhav, Whole programme were anchored by Prof. Seema Nagdeve, NSS Coordinator.

### Outcomes/impact of the Activity:

Workshop was successfully conducted in college for the students. They getting thorough knowledge about the disease AIDS. Such type of workshop is most important for AIDS eradication. HIV is a disease that does not discriminate. Anyone can contract this disease, which is why it is important for students to be AWARE of how to protect themselves and prevent the transmission of HIV.
