Name of sponsorship/collaboration (Total Grants received in Rs. If any)	-
Objective of the Activity	The main objectives were 1. To ensure complete participation of the students in all the activities. 2. To build rapport with the village community. 3. To spread awareness among the communities about agriculture. 4. Demonstration of improved production technologies. 5. Promotion of organic cultivation of horticulture crops.
Brief Description	Programme focuses mainly on giving awareness on organic farming, and demonstration on use of pheromone traps and sticky cards in different crops and soil sample collection. Guest Shri Rahangdale in his address said that Each and every individual has to contribute for making changes in the farming community. NSS Programme officer Dr. Rajendra Chavhan has given awareness on application of organic based products and its impact for maintaining the soil health. And explained about the different techniques in controlling the pest occurrence in the field. He has conducted method demonstration on pheromone traps and yellow sticky cards for controlling the sucking pests and also for knowing the intensity of pest occurrence. Shri Rahangdale Saheb, Agriculture officer explained about the soil samples collection and soil health cards. He also demonstrated the techniques in collection of samples from the soil. Shri Rahangdale Saheb, Agriculture officer said that every farmer has

	<p>to treat their seeds before the sowing operation for controlling the diseases. Shri. Watgure, Sarpanch in his address said that all the farmers should participate in a collaborative way and also thanked the M. G. College for conducting the NSS Special camp in their village and motivating the farmers. NSS programme has a unique role in bringing the changes in the society and congratulated all the volunteers for their active participation in the programme.</p>
<p>Outcomes/impact of the Activity</p>	<p>The survey identified seven sources of income growth viz, improvement in crop and livestock productivity; resource use efficiency or savings in the cost of production; increase in the cropping intensity; diversification towards high value crops; improvement in real prices received by farmers; and shift from farm to non-farm occupations. Rural institutions play an important role in all the examples. Number of participants are fully satisfied in such camp. Such type of camp should be regularly conduct in our village and in adjoining villages by NSS/UBA of M. G. College Armori. It is very beneficial for farmer.</p>
