Objective of the Activity	(i) Making education more relevant to the present situation to meet the felt needs of the communities and supplement the education of college students by bringing them face to face with the community situation. (ii) To provide opportunities to students to play their due roles in the implementation of various development "programmes by planning and executing development projects, which not only help in creating durable community assets in rural areas, but also result in improvement of the condition of weaker sections of the communities. (iv) Building up potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. (v) Encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.
