Title of activity	Each One Students Plant One Tree Campaign
Date of activity organized	26.09.2019
Name of the Coordinator of activity	Dr. Rajendra N. Chavhan, DR. G. M. Kadhav
Place of Activity organized	At students Villages, UBA adopted villages-Asha, Antarjee, Rampur, Kasvi and Palora of Tahsil Armori.
No. of students participated	601
No. of faculty participated	26
Name of sponsoring agency/collaborator	-
Name of sponsorship/collaboration	-
Objective of the Activity	To plant tree saplings in adopted villages and create environmental awarness
Brief Description	UBA and NSS Department organized Tree plantation Programme. On this occasion organizers stated that tree plays a significant role for all of us as well as for animals, insects, birds etc. As we know the famous phrase "Save trees, Save life". So, we acknowledge it and be a part of the plantation. Programme was organized under the guidance of Principal Dr. L. H. Khalsa. He said in his speech that trees are important for life on Earth. Trees give us shade. Trees give beauty to any place. Trees bear beautiful and colorful flowers. Trees are home to many animals, birds and insects. When trees are cut, these creatures lose their home. Trees are also food for man, and all herbivorous animals and birds. Insects also depend on trees to complete their life cycle. Total 601 saplings were distributed among 601 students for plantation in their villages.
Outcomes/impact of the Activity	Tree plantation is the process of transferring of seedlings from one place to another. Hence there are 601 sapling distributed to students, They planted tree at their native places where they live, their village street and open land and barren land.
