UGC circular dated 15 July 2016

Dear Sir / Madam,

Rajiv Gandhi National Institute for Intellectual Property Management (RGNIIPM) has been established by the Government of India as the Center of Excellence for IPR training under the Ministry of Commerce & Industry and is engaged in conducting training programmes relating to Intellectual Property Rights (IPRs) i.e. Patents, Designs, Trademarks, GI & Copyrights, etc. At present, filing of Indian IP applications/Patents/Designs by Institutes, Universities are low (only around 10%) despite their significant contribution towards R&D; like patent applications filed by the Indian Institutes/ students are very less as compared to foreign applicants. Also, it was often observed that many inventors are losing the chance of obtaining Patents, Designs for their inventions by commercially using or publishing their inventions, designs in newspapers or scientific and technical journals and such inventions are thus remained unprotected and may lose their exclusive rights.

As part of Azadi Ka Amrit Mahotsav, the Government has decided to impart training and awareness to 10 lakh students on IPR to further strengthen the IPR regime of our country which will boost the "Creative India, Innovative India" objective of National IPR policy. Such initiative of outreach and promotion of IPR awareness is one of the foremost objectives of National IPR policy which will stimulate the generation of IPRs. Therefore, in order to implement the objectives of National IPR Policy 2016, under the National Intellectual Property Awareness Mission (NIPAM) and to safeguard the interest of the inventors by upgrading IP skills of Faculties, Students, RGNIIPM has decided to conduct a "Free Online workshop on IPR- Patents & Designs filing process (with certificate to all attended participants)" for Educational Institutions, students in order to protect their inventions in association with your organization.
