AICTE National Innovation and startup policy dated 10-9-2019
UGC circular dated 15 July 2016

Dear Sir / Madam,

Rajiv Gandhi National Institute for Intellectual Property Management(RGNIIPM) has been established by the Government of India as the Center of Excellence for IPR training under the Ministry of Commerce & Industry and is engaged in conducting training programmes relating to Intellectual Property Rights (IPRs) i.e. Patents, Designs, Trademarks, GI & Copyrights, etc. At present, filing of Indian IP applications/Patents/Designs by Institutes, Universities are low(only around 10%) despite their significant contribution towards R&D; like patent applications filed by the Indian Institutes/ students are very less as compared to foreign applicants. Also, it was often observed that many inventors are missing the chance of obtaining Patents, Designs for their inventions by commercially using or publishing their inventions, designs in newspapers or scientific and technical journals and such inventions are thus remained unprotected and may lose their exclusive rights.

As part of Azadi ka Amrit Mahotsav, the Government has decided to impart training and awareness to 10 lakh students on IPR to further strengthen the IPR regime of our country which will boost the "Creative India, Innovative India" objective of National IPR policy. Such initiative of outreach and promotion of IPR awareness is one of the foremost objectives of National IPR policy which will stimulate the generation of IPRs. Therefore, in order to implement the objectives of National IPR Policy 2016, under the National Intellectual Property Awareness Mission (NIPAM) and to safeguard the interest of the inventors by upgrading IP skills of Faculties, Students, RGNIIPM has decided to conduct a "Free Online workshop on IPR- Patents & Designs filing process (with certificate to all attended participants)" for Educational Institutions, students in order to protect their inventions in association with your organization.

Details are as under:-

Topic- - Introduction to IPR (Intellectual property rights), Patents, Designs filing process (online) – Free

Duration- of the said online workshop will be around one hour

Organizer- RGNIIPM & your organization can jointly organize (Joint free workshop)

Certificate: E- certificate will be given to all participants who attend

Appreciation letter to organization & Convenor/coordinator will be given by our office if more than 200 participants will be attend (attendee list with name & email will be required)

Speakers- from Patent & Designs office who are working in RGNIIPM, Ministry of Commerce & Industry, Government of India (however from your end, if anyone wants to speak will be welcome)

Online Link – RGNIIPM can arrange an online link of CISCO Webex in which you can nominate upto 1000 participants OR you can arrange the online link (as per your convenience).

How to give a proposal for conducting the above workshop:-

In this connection, I would like to request you to inform this office, about the willingness of your organization for holding a joint workshop on IPR- Patents, Designs filing process with your suitable any date, time (you may give 2 or 3 dates so that we can select anyone, except Saturday/Sunday/holiday) with approximate number of participants who will attend. UGC circular dated 15 July 2016

Dear Sir / Madam,

Rajiv Gandhi National Institute for Intellectual Property Management(RGNIPM) has been established by the Government of India as the Center of Excellence for IPR training under the Ministry of Commerce & Industry and is engaged in conducting training programmes relating to Intellectual Property Rights (IPRs) i.e. Patents, Designs, Trademarks, GI & Copyrights, etc. At present, filing of Indian IP applications/Patents/Designs by Institutes, Universities are low(only around 10%) despite their significant contribution towards R&D; like patent applications filed by the Indian Institutes/ students are very less as compared to foreign applicants. Also, it was often observed that many inventors are losing the chance of obtaining Patents, Designs for their inventions by commercially using or publishing their inventions, designs in newspapers or scientific and technical journals and such inventions are thus remained unprotected and may lose their exclusive rights.

As part of Azadi ka Amrit Mahotsav, the Government has decided to impart training and awareness to 10 lakh students on IPR to further strengthen the IPR regime of our country which will boost the "Creative India, Innovative India" objective of National IPR policy. Such initiative of outreach and promotion of IPR awareness is one of the foremost objectives of National IPR policy which will stimulate the generation of IPRs. Therefore, in order to implement the objectives of National IPR Policy 2016, under the National Intellectual Property Awareness Mission (NIPAM) and to safeguard the interest of the inventors by upgrading IP skills of Faculties, Students, RGNIPM has decided to conduct a "Free Online workshop on IPR- Patents & Designs filing process (with certificate to all attended participants)" for Educational Institutions, students in order to protect their inventions in association with your organization.
