• ABOUT COLLEGE

Late Mahatma Gandhi Arts, Science Nasaruddinbhai Panjwani Commerce College run by Manoharbhair Shikshan Prasarak Mandal, Armori is a premier educational institute in eastern region of Maharashtra State. Visionary and noted social reformer of this area Late Wamanraoji Wanmali, the founding father of the Institution dreamt of spreading education in the tribal and backward area. This college provides higher education in Arts, Science, Commerce and Home Science. Today the college runs many postgraduate courses in Science and Humanities and Institutes for Higher Learning and Research in Mathematics, Marathi, History and Sociology approved by Gondwana University, Gadchiroli. The college is permanently affiliated to Gondwana University, Gadchiroli with 2(f) and 12(b) status. The college is re-accredited by NAAC Bangalore with 'A' grade (3.24 CGPA). The college has the honour of getting Best College Award in Gondwana University, Gadchiroli. Our college strives to cater to the needs of the poor and needy student who hail from financially weak educationally underprivileged sections.

• ABOUT CONFERENCE:

Libraries have long been the custodians of knowledge, playing a crucial role in preserving and disseminating cultural heritage. In the context of India, a country with a rich and diverse knowledge system spanning millennia, libraries serve as essential guardians of wisdom. This paper explores the multifaceted role of libraries in preserving and promoting the Indian Knowledge System (IKS). It delves into the historical significance of traditional libraries in safeguarding ancient manuscripts, texts, and scholarly works. The modern challenges and opportunities for libraries in digitizing and cataloging these vast resources are also discussed. Furthermore, the paper highlights the initiatives undertaken by libraries to promote IKS through educational programs, exhibitions, and collaborations with academic institutions. By leveraging technology and fostering community engagement, libraries are not only preserving India's intellectual heritage but also ensuring its relevance and accessibility for future generations. Through this examination, the paper underscores the indispensable role of libraries as guardians of wisdom in the contemporary digital age.
