

STATE-LEVEL STUDENT'S SEMINAR COMPETITION (SLSSC)

Report

The State-Level Seminar Competition (SLSSC), organized by the Department of Chemistry, M. G. College, College Armori, in collaboration with the National Academy of Science India (NASI), Nagpur Chapter, held at M. G. College Armori on October 7, 2023. The purpose of the competition was to give students from various institutions the opportunity to demonstrate their talent and presentation skills on a specific topic. The competition received 41 entries from institutions across the state, each of which presented a seminar in front of the jury.

The event was graced by the presence of prominent dignitaries, including Chief Guests Prof. N. S. Gajbhiye, Chairman NASI, Nagpur Chapter; Prof. S.S. Umare, Adviser NASI, Nagpur Chapter; Dr. L. H. Khalsa, Principal, M. G. College Armori; Dr. Chayan Das, Associate Professor, Department of Chemistry VNIT, Nagpur; and Dr. W.B. Gurnule, Associate Professor, Department of Chemistry Kamla Nehru College, Sakkardhara, Nagpur.

Prof. N. S. Gajbhiye delivered an enlightening speech at the inaugural event, emphasizing the significance of research and innovation in the modern world and introducing the mission of NASI. Prof. S. S. Umare delivered a lecture entitled 'Climate Change, Corrective Action, and Human Responsibility.' All students attended the lecture, which was interactive and followed by student presentations.

Dr. L. H. Khalsa, Principal of M. G. College Armori, Mr. S. M. Sontakke, Convener of SLSSC, Dr. N. D. Bansod, co-convener of SLSSC, Dr. S. S. Kola, IQAC Coordinator, M. G. College Armori, Dr. C. D. Mungmode, Head Research and Development Committee, M. G. College Armori, Miss. Divya Drs. C. D. Mungmode and S. S. Kola coordinated the opening ceremony and offered a vote of gratitude.

In three distinct sections, a total of eight judges evaluated the competition. After thorough consideration by the judging panel, the winners were announced.

Martina R. Ghonmode, M. G. College Armori, won the first prize, Mr. Jatin Chhatrawani, S. P. College Chandrapur, won the second prize, and Miss Archana H. Rai, S. P. College Chandrapur, won the third prize in the Postgraduate (PG) division.

Payal Rajendra Chinchilla of R. M. G. College Nagbhid, Laxmi Bhatti of S. P. College Chandrapur, and Shraddha Sharma of M. G. College Armori won the first, second, and third prizes, respectively, in the B. Sc. III division.

Divya Vilas Bawane of M. G. College Armori, Himanshu R. Kotrange of S. P. College Chandrapur, and Anamika S. Kuthe of M. Z. College Wadsa placed first, second, and third, respectively, in the state-level student seminar competition for the B. Sc. II year group.

The winners were awarded cash rewards, certificates, and mementos, while all participants received a participation certificate. Dr. S. S. Kola announced the results. The seminar competition at the state level was a huge success, with students demonstrating outstanding knowledge and presentation skills. The competition provided a valuable place for the exchange of information, recognition of aptitude, and interaction with college students from other institutions. The competition was an overall enriching experience for all competitors and the organizer. We are grateful to everyone who contributed to the success of the seminar competition at the state level.

■ District Correspondent
GADCHIROLI, Oct 14

DEPARTMENT of Chemistry of Mahatma Gandhi Art, Science and Commerce College Armori and National Science Council, Nagpur, had organised a State-level seminar on Chemistry.

The seminar was inaugurated at the hands of Dr N S Gajbhiye, former Vice-chancellor of Sagar University. Dr Lalsingh Khalsa, Principal of Mahatma Gandhi College, presided. Dr S S Umre, Adviser of National Science Council Nagpur Division, Dr W V Gurnule Chemistry Department Head, Kamla Nehru College Nagpur, Dr Chelan Das, Associate Professor, Nagpur, Prof Satyendra Sontakke, Head of the Department of Chemistry

Dr N S Gajbhiye, former Vice-chancellor of Sagar University, speaking at the seminar while Principal Dr Lalsingh Khalsa and others look on.

in the College, were prominently present.

Dr Gajbhiye and said that such seminars help to develop talent in students. "This kind of planning creates a competitive spirit in the minds of the students. They get a chance to

express their talent. Therefore, such seminars should always be organised regularly," Dr Gajbhiye opined.

Dr S S Umre also guided at the seminar.

In his presidential address, Principal of the college Dr Lal

Singh Khalsa told about the programmes being conducted by the college. He explained that the college has received 'A' grade because of its activities. He congratulated the organisers of the seminar for bringing together Chemistry students from across the State and providing a common platform.

In his introductory guidance, Prof Satyendra Sontakke said that the Chemistry seminar had been organised to promote scientific approach among the students.

Dr Chhagan Mungmode conducted the programme and Dr Satish Kola proposed a vote of thanks. Professor Dilip Ghonmode extended help to make the programme successful. Faculty members and students of the college were present on the occasion.
